13 is limited to the category of pesticide application named on the
14 license. The Board may establish categories of pesticide
15 application as necessary. Licenses shall be issued upon application
16 to the Board on a form prescribed by the Board. The application
17 shall contain information regarding the applicant's qualifications,
18 proposed operations, and other information as specified by the
19 Board.

2 aerial license and pilots working under a license may
3 be subject to a complete and thorough background
4 examination.

11 a noncommercial business location may also serve as the certified
12 applicator for one commercial business location.

13 5. A license shall not be issued for the category of pesticide
14 application of any applicant or representative who has a temporary

8 reexamination, if a properly completed application is filed with the
9 Board not later than the 1st day of January of each year. If
10 application is not received by January 1, a penalty of twice the
11 amount of the renewal fee shall be charged for renewal of the
12 license. If the application is not received by February 1, an
13 additional one-hundred-dollar penalty shall be paid prior to license
14 renewal.

15 All private applicator licenses are in effect for five (5) years
16 and may be renewed by application after completion of a continuing
17 education program or written exam approved by the Board.

18 C. The following fees shall be paid to the Board:

19 1. A fee of One Hundred Dollars (\$100.00) for each category of

10 fees shall be charged annually to any noncommercial business
11 location of an applicator;

12 6. A fee of Twenty Dollars (\$20.00) shall be paid to the Board
13 for the issuance or renewal of service technician identification;

20 Board for each reciprocal certification procedure for applicator
21 certifications.

22 D. All fees shall be deposited in the State Department of
23 Agriculture Revolving Fund.

1 E. Fees shall be paid to the Board prior to the processing of
2 any application.

3 F. Failure to pay any fee identified with licenses, permits,
4 pesticide registrations, or certification shall require the Board to
5 deny the application.

6 G. INSURANCE REQUIRED - 1. The Board shall not issue a
7 commercial applicator's license until the applicant has furnished
8 evidence of an insurance policy or certificate by an insurer or
9 broker authorized to do business in this state insuring the
10 commercial applicator and any agents against liability resulting
11 from the operations of the commercial applicator. The insurance
12 shall not be applied to damage or injury to agricultural crops,
13 plants, or land being worked upon by the commercial applicator.

14 2. The amount of liability shall not be less than that set by
15 the Board for each property damage arising out of actual use of any
16 pesticide. The liability shall be maintained at not less than that
17 sum at all times during the licensing period. The Board shall be
18 notified fifteen (15) days prior to any reduction in liability.

19 3. If the furnished liability becomes unsatisfactory, the
20 applicant shall immediately execute new liability upon notice from
21 the Board. If new liability is not immediately obtained, the Board
22 shall, upon notice, cancel the license. It shall be unlawful for
23 the person to engage in the business of applying pesticides until
24 the liability is brought into compliance and the license reinstated.

1 H. DAMAGES - 1. Prior to filing an action against an
2 applicator for damages to growing crops or plants, any person
3 alleging damages to growing crops or plants shall:

4 a. within ninety (90) calendar days of the date that the
5 alleged damages occurred or prior to the time that
6 twenty-five percent (25%) of the allegedly damaged
7 crops or plants are harvested, whichever occurs first,
8 file a written complaint statement with the Department
9 regarding the alleged damages, and

10 b. between the date of filing of the written complaint
11 pursuant to subparagraph a of this paragraph and the
12 date harvesting or destruction of the allegedly
13 damaged crops or plants occurs, allow the applicator
14 and the representatives of the applicator reasonable
15 access to the property to inspect and take samples of
16 the allegedly damaged crops or plants during
17 reasonable hours. The representatives of the
18 applicator may include, but not be limited to, crop
19 consultants, bondsmen, and insurers. Nothing in this
20 subparagraph shall limit in any way the harvesting or
21 destruction of the allegedly damaged crops or plants
22 in the ordinary course of business and practice.
23
24

1 2. Any person failing to comply with paragraph 1 of this
2 subsection shall be barred from filing an action for damages against
3 the applicator.

4 I. PERMIT REQUIRED - 1. It shall be unlawful for any person to
5 sell, offer for sale, or distribute within this state any restricted
6 use pesticide without first obtaining a restricted use pesticide
7 dealer's permit issued by the Board.

8 2. A permit may be issued by the Board in any category of
9 pesticide sales if the applicant qualifies under the provisions of
10 this section and the applicant is limited to the category of
11 pesticide sales named on the permit. The Board may establish
12 categories of pesticide sales as necessary.

13 3. The permit shall be issued only upon application on a form
14 prescribed by the Board and the application shall contain
15 information regarding the applicant's proposed operation and other
16 information as specified by the Board.

17 4. Each business location engaged in the sale or distribution
18 of restricted use pesticides shall require a separate permit.

19 5. The annual permit fee for a restricted use pesticide dealer
20 permit shall be Fifty Dollars (\$50.00) for each location.

21 6. The Board may require a certified applicator to be present
22 at any location where designated restricted use pesticide sales
23 occur.

1 J. PESTICIDE REGISTRATION REQUIRED - 1. Every pesticide or
2 device distributed, sold, or offered for sale within this state or
3 delivered for transportation or transported in intrastate or
4 interstate commerce shall be registered with the Board.

5 2. The registrant shall file with the Board a statement
6 including, but not limited to:

7 a. the name and address of the registrant and the name
8 and address of the person whose name shall appear on
9 the label, if other than the registrant,

10 b. the name of the pesticide or device,

11 c. a complete copy of the labeling accompanying the
12 pesticide or device and a statement of all claims to
13 be made for it, and directions for use, and

14 d. if requested by the Board, a full description of the
15 tests made and the results upon which the claims are
16 based. In renewing a registration, a statement shall
17 be required only with respect to information which is
18 different from the information furnished when the
19 pesticide or device was last registered.

20 3. Each registrant shall pay to the Board an annual
21 registration fee of Two Hundred Ten Dollars (\$210.00) for each
22 pesticide or device label registered. These fees shall be used by
23 the Oklahoma Department of Agriculture, Food, and Forestry for
24 purposes of administering pesticide management programs. A portion

1 of these fees, in the amount of Three Hundred Thousand Dollars
2 (\$300,000.00) annually, shall be dedicated for conducting programs
3 for unwanted pesticide disposal. This amount shall be deposited
4 into the State Department of Agriculture Unwanted Pesticide Disposal
5 Fund and shall be dedicated for this use only.

6 4. The Board may require the submission of the complete formula
7 of any pesticide. Trade secrets and formulations submitted by the
8 registrant may be kept confidential. If it appears to the Board
9 that the composition of the pesticide is adequate to warrant the
10 proposed claims and if the pesticide, its labeling, and other
11 material required to be submitted comply with the requirements of
12 this section, then the pesticide shall be registered.

13 5. If it does not appear to the Board that the pesticide or
14 device is adequate to warrant the proposed claims for it or if the
15 pesticide or device, its labeling, and other material required to be
16 submitted do not comply with the provisions of this section, it
17 shall notify the applicant of the deficiencies in the pesticide,
18 device, labeling, or other material required and afford the
19 applicant an opportunity to make the necessary corrections. If the
20 applicant claims, in writing, that the corrections are not necessary
21 and requests in writing a hearing regarding the registration of the
22 pesticide or device, the Board shall provide an opportunity for a
23 hearing before refusing to issue the registration. In order to
24 protect the public, the Board may at any time cancel the

1 registration of a product or device. In no event, shall
2 registration of a pesticide or device be considered as a defense or
3 excuse for the commission of any offense prohibited under this
4 section.

5 6. The Board may require that pesticides be distinctively
6 colored or discolored to protect the public health.

7 7. Registration shall not be required in the case of a
8 pesticide shipped from one plant or place within this state to

23 is filed with the Board not later than the fifteenth day of the
24 month first following the date of expiration. If the application is
