If there are no bids submitted or all submitted bids are less than the market value of the real property after the expiration of fifteen (15) days from the date of first publication of notice of sale, the board of county commissioners shall publish the notice of sale and accept bids for a second time complying with the requirements of paragraphs 2 through 4 of this subsection. 1. The county purchasing agent shall request written recommendations from all county officers pertaining to needed or commonly used supplies, materials, road and bridge construction services, equipment and information technology and telecommunication goods and services. From such recommendations and available requisition, purchase, or inventory records, the county purchasing agent shall prepare a list of items needed or commonly used by county officers. The county purchasing agent shall request from the Purchasing Division or from the Information Services Division in the case of information technology and telecommunication goods and services of the Office of Management and Enterprise Services all contracts quoting the price the state is paying for the items. The county purchasing agent shall either request the Purchasing Division or the Information Services Division of the Office of Management and Enterprise Services, as applicable, to make the purchase for the county or the county purchasing agent shall solicit bids for unit prices on the items for periods of not to exceed twelve (12) months in the manner described in paragraph 2 of this subsection. If the county purchasing agent receives a requisition for an item for which the county purchasing agent does not have a current bid, the county purchasing agent shall request from the Purchasing Division or the

Information Services Division of the Office of Management and Enterprise Services, as applicable, all contracts quoting the price the state is paying for the item. The county purchasing agent shall either request the Purchasing Division or the Information Services Division of the Office of Management and Enterprise Services, as applicable, to make the purchase for the county or the county purchasing agent shall solicit bids in the manner described in paragraph 2 of this subsection. Whenever the county purchasing agent deems it necessary to take a bid on an item currently on a twelve-month bid list, the reason for the bid shall be entered into the minutes of the board of county commissioners;

2. Bids shall be solicited by mailing or emailing a notice to all persons or firms who have made a written request of the county purchasing agent that they be notified of such bid solicitation and to all other persons or firms who might reasonably be expected to submit bids. Notice of solicitation of bids shall also be published one time in a newspaper of general circulation in the county. Notices shall be mailed and published at least ten (10) days prior to the date on which the bids are opened. Proof of the mailing or emailing shall be made by the affidavit of the person mailing or emailing the request for bids and shall be made a part of the official records of the county purchasing agent. Whenever any prospective supplier or vendor dealing in or listing for sale any particular item or article required to be purchased or acquired by sealed bids fails to enter or offer a sealed bid for three successive bid solicitations, the name of the supplier or vendor may be dropped from the mailing lists of the board of county commissioners;

3. The sealed bids received from vendors and the state contract price received from the applicable Division of the Office of Management and Enterprise Services shall be given to the county clerk by the county purchasing agent. 4. The board of county commissioners, in an open meeting, shall open the sealed bids and compare them to the state contract price.

The board of county commissioners shall keep a written record of the meeting as required by law, and any time the lowest bid was not considered to be the lowest and best bid, the reason for such conclusion shall be recorded. The quotes shall be recorded on a form prescribed by the State Auditor and Inspector and shall be attached to the purchase order and filed with the county clerk's copy of the purchase order. Any time the lowest quote was not considered to be the lowest and best quote, the reason for this conclusion shall be recorded by the county purchasing agent and transmitted to the county clerk, or
- c. if three quotes are not available, a memorandum to the county clerk from the county purchasing agent shall describe the basis upon which a purchase is authorized. The memorandum shall state the reasons why the price for such a purchase is the lowest and best under the circumstances.
