An Act relating to public finance; amending 62 O.S. 2011, Section 34.32, as last amended by Section 1, Chapter 331, O.S.L. 2019 (62 O.S. Supp. 2019, Section 34.32), which relates to security risk assessments; providing exception for certain state agency division; updating statutory reference; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 62 O.S. 2011, Section 34.32, as last amended by Section 1, Chapter 331, O.S.L. 2019 (62 O.S. Supp. 2019, Section 34.32), is amended to read as follows:

Section 34.32. A. The Information Services Division of the Office of Management and Enterprise Services shall create a standard security risk assessment for state agency information technology systems that complies with the International Organization for Standardization (ISO) and the International Electrotechnical Commission (IEC) Information Technology - Code of Practice for Security Management (ISO/IEC 27002).

1 B. Each state agency that has an information technology system
2 shall obtain an information security risk assessment to identify
3 vulnerabilities associated with the information system. The
4 Information Services Division of the Office of Management and
5 Enterprise Services shall approve not less than two firms which
6 state agencies may choose from to conduct the information security
7 risk assessment.

8 C. A state agency with an information technology system that is
9 not consolidated under the Information Technology Consolidation and
10 Coordination Act or that is otherwise retained by the agency shall
11 additionally be required to have an information security audit
12 conducted by a firm approved by the Information Services Division
13 that is based upon the most current version of the NIST Cyber-
14 Security Framework, and shall submit a final report of the
15 information security risk assessment and information security audit
16 findings to the Information Services Division each year on a
17 schedule set by the Information Services Division. Agencies shall
18 also submit a list of remedies and a timeline for the repair of any
19 deficiencies to the Information Services Division within ten (10)
20 days of the completion of the audit. The final information security
21 risk assessment report shall identify, prioritize, and document
22 information security vulnerabilities for each of the state agencies
23 assessed. The Information Services Division may assist agencies in
24

1 repairing any vulnerabilities to ensure compliance in a timely
2 manner.

3 D. Subject to the provisions of subsection C of Section 34.12
4 of this title, the Information Services Division shall report the
5 results of the state agency assessments and information security
6 audit findings required pursuant to this section to the Governor,
7 the Speaker of the House of Representatives, and the President Pro
8 Tempore of the Senate by the first day of January of each year. Any
9 state agency with an information technology system that is not
10 consolidated under the Information Technology Consolidation and
11 Coordination Act that cannot comply with the provisions of this
12 section shall consolidate under the Information Technology
13 Consolidation and Coordination Act.
