Research Analysis

The proposed committee substitute to HB 1207 provides that if an officer leaves the original employing agency which paid for CLEET training later than one year, but less than two years, after initial employment, the second agency or the person receiving the training shall reimburse the original employing agency 50% of the cost of CLEET training and salary paid to the person while completing the basic police course by the original employing agency. The measure deletes language relating to the use of a promissory note to recoup academy training expenses.
