Fiscal Analysis

HB 1391 in its current form modifies the list of positions at the Office of the Secretary of State that are unclassified for purposes of the merit system. Such action allows the agency greater flexibility regarding the salary paid to such unclassified positions. Whether the change provided by HB 1391 results in increased or decreased compensation costs for the agency will be determined by the employee compensation choices made by the agency. The measure does not mandate any increase or decrease in employee compensation; therefore, HB 1391 in its current form has no direct impact on the state budget or revenues.
