Research Analysis

The CS to HB 2840 recreates the following councils within the Oklahoma Department of Environmental Quality until 2021 in accordance with the provisions of the Oklahoma Sunset Law:

- The Water Quality Management Advisory Council;
- The Hazardous Waste Management Advisory Council;
- The Solid Waste Management Advisory Council; and
- The Radiation Management Advisory Council.

Prepared By: Brad Wolgamott

Fiscal Analysis

The measure re-creates several advisory councils within The Department of Environmental Quality. There would be no direct state impact to the re-creation of these commissions.
