

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB 2852
Version:	Introduced
Request Number:	10443
Author:	Pae
Date:	2/17/2020
Impact:	None

Research Analysis

HB 2852 directs the State Department of Health to apply for federal approval to participate in a program allowing the state to import prescription drugs from Canada. The State Department of Health may charge a fee per unit in order to administer the program. The measure also prohibits pharmaceutical manufacturers from setting prices for or discriminating against pharmaceutical distributors participating in the program.

Prepared By: Anna Rouw

Fiscal Analysis

HB 2852 has no anticipated costs to the agency.
