<b>Date:</b>	<b>2/25/2020</b>
<b>Impact:</b>	<b>Please see previous summary of this measure</b>

**Research Analysis**

HB 3098, as introduced, modifies the State Architectural and Registered Interior Designers Act to apply to registered *commercial* interior designers. The name of the act is updated to reflect the change to commercial interior designers, and the sunset is extended to 2026. The newly-renamed Board of Governors of the Licensed Architects, Landscape Architects and Registered Commercial Interior Designers of Oklahoma is expanded from 11 members to 13, adding an additional registered commercial interior designer and an additional lay member. The measure requires a registered commercial interior designer to plan and design for certain Code Use Groups as defined by the current International Building Code. Finally, the bill removes certain educational requirements to become a registered commercial interior designer.
