

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB 3185
Version:	CS
Request Number:	11552
Author:	Rep. Marti
Date:	3/9/2020
Impact:	Tax Commission:

Pending Response from Centers

Research Analysis

The committee substitute for HB3185 provides a sales tax exemption on sales to or by any 501c3 organization that receives substantial funding from the Oklahoma State Department of Mental Health and Substance Abuse Services as a certified Comprehensive Community Addiction Recovery Center.

Fiscal Analysis

Working with the Department of Mental Health and Substance Abuse Services, ten (10) centers were identified meeting the criteria for the exemption. Of those, three are currently exempt. Of the remaining seven, the Tax Commission has only received data from two centers. To provide the most accurate estimate of revenue impact the Commission continues to work with the centers to obtain sales information, at which time an estimate can be completed.
