

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB 3289
Version:	CS
Request Number:	11513
Author:	Rep. Taylor
Date:	3/2/2020
Impact:	No Impact

Research Analysis

HB 3289 modifies the licensure requirements related to scrap metal dealing, alcoholic beverages, motor vehicle dealing, used motor vehicle and parts dealing, and medical micropigmentation. The measure prohibits licensure if the applicant has been convicted or pled guilty to a felony substantially relating to the licensed practice and poses a reasonable threat to public safety, rather than a crime involving moral turpitude.

Prepared By: Sean Webster

Fiscal Analysis

The measure modifies certain qualifications for licenses, particularly related to crimes and other similar behaviors. No impact on agency revenue or expenditures are anticipated.

Prepared By: Mark Tygret

Other Considerations

None.
