

BILL SUMMARY
2nd Session of the 57th Legislature

Bill No.:	HB3406
Version:	Introduced
Request Number:	9829
Author:	Randleman
Date:	2/11/2020
Impact:	Minimal

Research Analysis

HB 3406 amends the training requirements for foster parents to include training on fetal alcohol spectrum disorders.

Prepared By: Marcia Johnson

Fiscal Analysis

The fiscal impact of this bill is minimal and could be completed by leveraging existing staff and training opportunities.

Prepared By: Stacy Johnson

Other Considerations

None.
