**Research Analysis**

The PCS for HB 3524 requires DHS to provide certain information to a family member or other individual who may take guardianship of a child who is the subject of an abuse or neglect referral. The information includes whether the individual could be approved as a foster placement, what resources and assistance may be available to the child and disclosing that guardians receive less financial assistance to care for children than foster parents receive. The measure also requires that the individual sign a document indicating that he or she received and understood the required information.
