Bill No.:	HB3808

Request Number:	10973
Author:	Hasenbeck
Date:	2/18/2020

Research Analysis

The PCS for HB 3808 requires DHS to provide child care facilities that have a current Oklahoma Child Care Provider Contract the full weekly rate at the beginning of each week, based on enrollment, in the same manner as the facilities receive from private-pay parents. If a child misses 10 consecutive days of attendance without approval from the facility and a DHS caseworker, he or she may lose approval for the subsidy and be required to reapply.

Fiscal Analysis

Utilizing the report on absent day payments, the cost to pay for slots would increase monthly expenditures by \$4,849,935 or \$58,199,219 annually. This does not include the cost of EBT/Conduit/Finance system and processing changes which have not been scoped at this time.
