Fiscal Analysis

HB 3851, as introduced, creates the new role of military magistrate within the Oklahoma Uniform Code of Military Justice.

Analysis provided by the Department of Veterans Affairs indicates that the duties of a military magistrate would likely be performed by existing personnel and so would not have an impact on the Oklahoma Military Department's budget. In the event such duties would require outside contracting, those costs would be minimal, infrequent, and absorbable in the normal operating budget of the OMD.
