Bill No.:	HB 4085
Version:	FULLPCS1
Request Number:	10910
Author:	Mr. Speaker
Date:	2/27/2020
Impact:	No Impact

Research Analysis

The proposed committee substitute for HB4085 relates to the job qualifications and salary limits for the role of the state's Chief Information Officer (CIO), a position that is appointed by the Governor. The measure eliminates all statutory salary restrictions and eligibility requirements related to this role and removes the requirement that the CIO also serve as the Secretary of Information Technology and Telecommunications.
