

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	SB 122
Version:	Engrossed
Request Number:	
Author:	Rep. Pfeiffer/ Sen. Stanislawski
Date:	4/2/2019
Impact:	\$0

Research Analysis

Engrossed SB122 strikes language that requires state agencies to submit office expansion plans to the State Governmental Technology Review Board for review. The measure also requires state agencies to submit telework documentation to the Office of Management and Enterprise Services any time an agency intends to lease or acquire real property. Current law defines telework as work which is performed outside of the traditional on-site work environment.

Fiscal Analysis

Officials from the Office of Management and Enterprise Services (OMES) anticipate no impact as a result of the provisions of SB 122. For this reason the measure is not expected to have a direct fiscal impact on the state budget or revenues.
