**Research Analysis**

SB 220 requires physicians who diagnose or treat cases of a sexually transmitted infection (STI,) and managers of hospitals and correctional facilities in which there is a case of an STI, to report the case immediately to the director of the city-county health department or directly to the Commissioner of Health.

Prepared By: Marcia Johnson

**Fiscal Analysis**

SB 220 has no fiscal implications to the state.

Prepared By: Stacy Johnson

**Other Considerations**

None.
