

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	SB 432
Version:	ENGR
Request Number:	1087
Author:	Rep. Martinez
Date:	3/25/2019
Impact:	Permissive; Subject to the availability of funds

Research Analysis

SB432 authorizes the State Board of Career and Technology Education to establish a statewide aerospace training facility, and authorizes the Board to purchase property, equipment, and other materials as necessary for the training facility.

Prepared By: Emily Wendler

Fiscal Analysis

As written, the measure authorizes the Department of Career and Technology Education to establish a statewide aerospace training facility and to purchase or otherwise acquire necessary materials for needed for successful operation of the aforementioned facility.

If funding becomes available, it is anticipated under the current proposal that a total fixed asset cost would be an estimated \$43,300,000 with an annualized cost of approximately \$5,200,000.
