Research Analysis

The Floor Amendment to SB441 delays the implementation of proposed changes to the school calendar by one year. Schools would be required to go no fewer than 165 days a year, unless they meet exemptions laid out by the State Department of Education, starting with the 2021-2022 school year.

The Floor Amendment to SB441 also requires the \$1,200 teacher pay raise to go into effect September 1, 2019.
