

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	SB 497
Version:	FA 1
Request Number:	NA
Author:	Rep. Frix
Date:	4/23/2019
Impact:	OID: \$0 anticipated, nonappropriated agency.

Research Analysis

The floor amendment to SB 497 allows for reimbursement of pharmacists and pharmacies if they provide services related to drug therapy management, immunizations, or therapeutic injections, the health benefit policy allows for reimbursement of services, or a patient has signed an assignment of benefits agreement with a provider, in which case the carrier must reimburse the provider directly. The floor amendment also states that reimbursement shall not apply to counseling services for dispensing a prescription.

Prepared By: Anna Rouw

Fiscal Analysis

The FA1 has \$0 anticipated impact to the Oklahoma Insurance Department.
