Impact:	OTRD: \$0 anticipated to agency.

Research Analysis

Engrossed SB 540 gives the Oklahoma Tourism and Recreation Department more flexibility in how funds in the State Park System Improvement Revolving Fund can be spent. The fund consists of all monies received from annual visitor passes and entrance or day-use charges for the state park system. Currently, monies accruing to the fund must be spent on capital improvements.

Fiscal Analysis

The measure removes the restrictions of use on the State Park System Improvement Revolving Fund at the Oklahoma Department of Tourism and Recreation, (OTRD). The fund consists of all monies collected by the agency for entrance, day-use and annual pass charges for the state park system. After analysis, the measure's changes, reflect that those funds may now be expended by OTRD at the state park where collected, and are no longer restricted exclusively to capital improvements. There is \$0 negative fiscal impact anticipated to the agency or to the state.
