Fiscal Analysis

Floor Amendment 1 would exempt certain agencies from the requirement of annual third-party information security audits, otherwise required by the provisions of SB 584 as Engrossed. Officials from the Information Services Division of the Office of Management and Enterprise Services (OMES-ISD) interpret the exemption to apply to the following entities resulting in the following cost avoidances, relative to the cost estimates listed in the fiscal analysis for the Engrossed version of SB 584:

Oklahoma State Regents of Higher Education	30,000
Regional University System of Oklahoma	30,000
