Bill No.:	SB 585
Version:	Engrossed
Request Number:	
Author:	Rep. Ortega/ Sen. Stanislawski
Date:	4/8/2019
Impact:	OMES: no material impact

Research Analysis

SB 585 requires the Office of Management and Enterprise Services to notify a state agency if it changes a policy that will affect the agency. The agency may respond to that notice, prior to implementation of the policy, and request to be exempted from the policy or that it be changed. OMES would be required to respond in writing to that request.

Fiscal Analysis

Officials from the Office of Management and Enterprise Services (OMES) anticipate the ability to implement the provisions of SB 583 with no material impact on the OMES budget. For this reason SB 583 in its current form is not expected to have a direct fiscal impact on the state budget or revenues.
