**Research Analysis**

The committee substitute SB 608 provides that any wine or spirit product that constitutes a top brand is to be offered by the manufacturer for sale to every licensed wine and spirits wholesaler who desires to purchase the same on the same price basis and without discrimination or inducements. "Top brand" is defined as those brands constituting the top twenty-five brands in total sales of spirits and of wine by all wholesalers during the past twelve-month period, according to the records of the ABLE Commission as revised by the ABLE Commission quarterly. In order to allow the ABLE Commission to determine the top twenty-five brands of spirits and of wine, all wholesalers must submit to the ABLE Commission every sixty days a sworn affidavit listing their top thirty brands of spirits and of wine in sales for the previous sixty days, excluding sales to wholesalers.
