Bill No.:	SB 85
Version:	CCR
Request Number:	2258
Author:	Rep. McEntire
Date:	5/22/2019
Impact:	\$0

Research Analysis

The CCR A for SB 85 amends HB 2519, which was signed into law on April 25 and is effective on November 1. The House Bill adds to the list of who can administer opiate antagonists without a prescription to include personnel of the Department of Corrections or of any entity that contracts with the Department of Corrections to provide housing or services for inmates of the Department of Corrections.

The CCR A for SB 85 modifies the list to include school nurses and certified and licensed alcohol and drug counselors and defines those terms. The measure also authorizes schools to designate an employee to administer opiate antagonists to students or other individuals in the event of a suspected overdose, and provides liability immunity under the Good Samaritan Act.
