

**BILL SUMMARY**  
1<sup>st</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 899</b>
<b>Version:</b>	<b>ENGR</b>
<b>Request Number:</b>	<b>NA</b>
<b>Author:</b>	<b>Rep. McEntire</b>
<b>Date:</b>	<b>4/1/2019</b>
<b>Impact:</b>	<b>OMES: Insignificant impact anticipated.</b>

**Research Analysis**

SB 899 allows applied behavior analysis to be provided or supervised by a board certified assistant behavior analyst.

Prepared By: Anna Rouw

**Fiscal Analysis**

The measure relates to health insurance and to the treatment of autism spectrum disorder. As written, and per the Oklahoma Management Enterprise Services (OMES), the bill will have an insignificant fiscal impact to the agency.

Prepared By: Jenny Mobley

**Other Considerations**

None.
