**Bill Analysis**

HB 2860 directs the State Department of Education to designate a school district campus as a Purple Star Campus if the campus applies and qualifies for the designation. A school may qualify for the designation if it designates a staffer as a military liaison, maintains an easily accessible web page that includes resources for military-connected students and their families, offers professional development programs for staffers related to military-connected students, offers a series of initiatives outlined by the measure, and maintains a transition program led by students when appropriate.
