| Bill No.: | HB 3115 |
| Version: | ENGR |
| Request No.: | |
| Author: | Sen. Hall |
| Date: | 03/23/2020 |

Bill Analysis

HB 3115 modifies eligibility requirements for qualified employers as it relates to a tax credit program for vehicle or automotive parts manufacturers. The measure allows businesses expanding their manufacturing operations or hiring new engineers to qualify for the credit. The measure eliminates the requirement for a company to have begun operations after a specified date.
