Bill No.:	HB 3616
Version:	FS1
Request No.:	4096
Author:	Sen. Daniels
Date:	05/06/2020

Floor Substitute (FS)

The FS for HB 3616 provides immunity from civil liability to any person or entity that designs, manufactures, or donates a qualified product in response to the COVID-19 pandemic that is utilized by a government entity, health care facility, health care provider, first responder, or essential business if said products causes injury, death, or property damage. Such immunity shall not apply to any person or entity that had actual knowledge that the product was defective and acted with deliberate indifference to or conscious disregard of a substantial and unnecessary risk.
