Bill Analysis

SB 1004 shortens the timeline for owners of an abandoned wind facility to complete the decommissioning of the wind energy facility from twelve months to ninety days. Any material that cannot be recycled must be removed from the state within ninety days. The Oklahoma Corporation Commission must impose a fine on the owners of up to \$500.00 per day the decommissioning is not completed past the ninety days. Revenue from the fine will be deposited in the Corporation Commission Revolving Fund.
