

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 103
Version:	INT
Request No.:	1029
Author:	Sen. Young
Date:	12/31/2018

Bill Analysis

SB 103 encourages the Oklahoma State Regents for Higher Education to utilize appropriated funds to foster entrepreneurship with a special emphasis on providing such support to minority communities. The measure states that the support should focus on topics that would be of assistance to persons who might consider establishing a business in the state.
