

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1108
Version:	INT
Request No.:	2939
Author:	Sen. Dossett
Date:	12/09/2019

Bill Analysis

SB 1108 defines “instructional expenditure” as it relates to spending in public schools. Such activities include spending on instruction and instructional staff support services and on activities assisting classroom instruction. The measure also requires the State Department of Education to report or publish each category of instructional expenditure as described in the measure.
