Bill Analysis

SB 1126 changes how out-of-state and out-of-country teaching experience is calculated as it pertains to determining salary increments. Beginning in the 2020-2021 school year, a teacher shall be granted credit for all years of out-of-state teaching experience as a certified teacher or its equivalent and out-of-country teaching experience as a certified teacher or its equivalent at primary and secondary schools that are operated by the United States Department of Defense or are affiliated with the United States Department of State.
