

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1156
Version:	INT
Request No.:	2764
Author:	Sen. Hicks
Date:	12/30/2019

Bill Analysis

SB 1156 prohibits manufacturers, importers, distributors, wholesalers, retailers, and secondhand dealers from selling or leasing crib bumper pads as an accessory to a crib and prohibits child care facilities from utilizing crib bumper pads on the premises unless a medical professional has determined that use of crib bumper pads is medically necessary. The measure also requires the State Department of Health to notify child care facilities about the provisions of the measure using plain, non-technical language.
