

**Bill Summary**  
2<sup>nd</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1201</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>2500</b>
<b>Author:</b>	<b>Sen. McCortney</b>
<b>Date:</b>	<b>01/06/2020</b>

**Bill Analysis**

SB 1201 requires all licensed health care facilities in the state to report data to and utilize the statewide health information exchange. An entity is defined as a health plan that provides for or pays the cost of medical care, a health care provider that offers or renders medical or health services, or any further individual or association defined as a covered entity.
