

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1226
Version:	INT
Request No.:	3161
Author:	Sen. Allen
Date:	01/08/2020

Bill Analysis

SB 1226 modifies the term “pollution prevention” to include any practice that eliminates a hazard at the source as well as modifying production processes, promoting the use of nontoxic or less toxic substances, implementing conservation techniques, and reusing materials. The measure also clarifies that the Advisory Councils of the Department of Environmental Quality shall be responsible for creating cooperative partnerships with the business community, municipalities, agencies of the state, and the environmental community.
