

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1227
Version:	INT
Request No.:	3497
Author:	Sen. Haste
Date:	01/08/2020

Bill Analysis

SB 1227 updates statutory references and directs the State Department of Health to enter into agreements with the Oklahoma Office of Rural Health to provide the Oklahoma Center for Telemedicine with assistance. The Center provides administrative oversight of telemedicine and the development of a statewide Oklahoma telemedicine network.
