

**Bill Summary**  
2<sup>nd</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1229</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>3562</b>
<b>Author:</b>	<b>Sen. Boren</b>
<b>Date:</b>	<b>01/08/2020</b>

**Bill Analysis**

SB 1229 directs the Oklahoma Corporation Commissioner to coordinate with electric distribution providers to develop rules that require providers to separate out charges for energy usage from charges for electricity delivery and any other customer charges and place those charges on the face of all electric utility bills. The measure also requires these rules to include any requirements and the amount available for rate subsidies to rate payers in need of economic assistance for electricity.
