

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1235
Version:	INT
Request No.:	3232
Author:	Sen. Rader
Date:	01/08/2020

Bill Analysis

SB 1235 broadens the term “eligible local government entity” within the Oklahoma Community Economic Development Pooled Finance Act to include entities subject to the jurisdiction of the Oklahoma State Board of Career and Technology Education or the Oklahoma State Regents for Higher Education. The measure also broadens eligibility for infrastructure projects to include any asset or project that is owned or operated by an eligible local government entity that provides a specific industry focused training program.
