<b>Request No.:</b>	<b>3007</b>
<b>Author:</b>	<b>Sen. Daniels</b>
<b>Date:</b>	<b>01/08/2020</b>

**Bill Analysis**

SB 1237 removes the requirement for the Workers' Compensation Commission to administer the Multiple Injury Trust Fund (MITF) as well as the requirement for the State Treasurer to allocate enough funding from the MITF to the Commission for administrative purposes. The measure also repeals the requirement for the Commission to provide a biennial report to the Governor and the Legislature.
