<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>2817</b>
<b>Author:</b>	<b>Sen. Bergstrom</b>
<b>Date:</b>	<b>01/12/2020</b>

**Bill Analysis**

SB 1272 modifies the term “device” as it relates to the Combined Pesticide Law pheromone lures, pheromone traps, and pheromone monitoring system components. The measure exempts devices used in the state from registration requirements for devices that are manufactured, transported, or distributed for use outside of this state.
