

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1273
Version:	INT
Request No.:	2488
Author:	Sen. Standridge
Date:	01/12/2020

Bill Analysis

SB 1273 directs the Oklahoma Health Care Authority to study the feasibility of integrating pharmacogenomic testing into the state Medicaid program for patients prescribed antipsychotic drugs. The measure also directs the Authority to submit the findings of the study to the Governor, President Pro Tempore of the Senate, and Speaker of the House as well as outlines the contents of the study.
