

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1302
Version:	INT
Request No.:	3343
Author:	Sen. Pederson
Date:	01/13/2020

Bill Analysis

SB 1302 modifies the set-back requirements for wind energy facilities. The measure prohibits such facilities from being located within 1.5 nautical miles of a private-use airport that met certain criteria as outlined in the measure prior to April 17, 2015.
