

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1435
Version:	INT
Request No.:	3651
Author:	Sen. Paxton
Date:	01/15/2020

Bill Analysis

SB 1435 requires the operator of a producing well to take reasonable preventative action to prevent the producing well from causing pollution and to prevent or mitigate potential damage to the producing well during hydraulic fracturing operations upon receiving notice of hydraulic fracturing operations occurring in the area. The measure outlines what shall constitute evidence of taking reasonable preventative action.
