Bill Analysis

SB 1484 transfers the powers, duties, and responsibilities of the State Board of Cosmetology and Barbering relating to the Massage Therapy Practice Act to the Board of Chiropractic Examiners. The Office of Management and Enterprise Services is directed by the measure to coordinate the transfer of funds, allotments, purchase orders and outstanding financial obligations, or encumbrances. The measure requires any reference to the Board of Cosmetology to mean the Board of Chiropractic Examiners as it applies to the Massage Therapy Practice Act.
