

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 149
Version:	INT
Request No.:	1009
Author:	Sen. Young
Date:	01/04/2019

Bill Analysis

SB 149 requires professional development committees to improve the ability of teachers to effectively meet the academic needs of a racially, ethnically, linguistically and culturally diverse student population in addition to their other responsibilities. Districts with at least 20% of their students from a minority background must provide a specific professional development program meeting the academic needs of the student population.
