**Bill Analysis**

SB 1497 creates an income tax refund checkoff for the “Checkoff for Oklahoma Fund.” Monies accruing to the fund shall be divided between the General Revenue Fund, which shall receive 99% of the monies accruing to the fund, and the Oklahoma Tax Commission, which shall receive 1% of the funds to pay for a report on the status of the Fund, an annual donor meeting, and a decal for donors. The measure repeals the income tax checkoff provided to the General Revenue Fund.
