

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1523
Version:	INT
Request No.:	3692
Author:	Sen. Silk
Date:	01/16/2020

Bill Analysis

SB 1523 authorizes the use of feed blocks no greater than 16x16 inches in dimension on lands managed by Oklahoma Department of Wildlife Conservation for hunting. Feed blocks are defined by the measure as a conglomeration of food, minerals, or other edible products used to attract or supplement the diet of deer or other game.
