

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1552
Version:	INT
Request No.:	2359
Author:	Sen. Standridge
Date:	01/16/2020

Bill Analysis

SB 1552 directs the Oklahoma Turnpike Authority to increase the speed limit on highways on the turnpike system from 80mph to 85mph in counties with a population of 150,000 or less. The Authority is also authorized to designate certain areas containing a special hazard. The Authority must remove the hazard and restore the 85mph speed limit within 5 years.
