Committee Substitute (CS)

The CS for SB 1298 requires insurance carriers to provide written notice to health care providers if a claim is denied. The notice must be provided within 30 days of the denial to the provider. The CS authorizes providers to appeal the denial. Providers must submit an appeal detailing the reasons for why the claim should not be denied. If the insurer denies the appeal, the insurer shall address in writing the specific details included in the written appeal.
